

REMARKS

In the Advisory Action, the Examiner let stand the rejection of claims 1, 3-26, 28-94 and 105-115 under 35 U.S.C. §§ 102(a) and 103(a), while indicating the allowability of claims 95-104 (if the non-allowable claims were canceled). The undersigned representative thanks the Examiner for the indication of allowable material, and has herein canceled all non-allowable claims and rewritten claim 95 into independent form. In light of these amendments, it is respectfully submitted that the application, including claims 95-104, is now in condition for allowance. Early notification of issuance is earnestly requested. The undersigned representative reserves the right to file the canceled claims in continuation applications. Should the Examiner determine that any further action is necessary to place this application into better form, he is encouraged to telephone the Applicants' undersigned representative at the number listed below.

Respectfully submitted,
